

**The Way of the Cross
First Station
Jesus is Condemned to Die**

We Adore You O' Christ and We Praise You.

Response: Because by your Holy Cross You have redeemed the world.

Meditation

Jesus stands before those who hold his earthly life in their hands. He knows suffering lies ahead. He could lie about himself and escape that suffering. He tells the truth, though, because he loves us, and Love stands for truth.

Prayer

Jesus, so many times trying to be truthful seems just too hard. If I'm completely truthful about my sins, I will have to suffer consequences for my wrongdoing. If I'm completely honest about my plans, I may face restrictions that will keep me from doing what I want. If I'm really open about who I am and what I think, some people might change the way they think of me. They might decide I'm not very good or something. In this first station, I see you stand before your accusers in truth, out of love. Help me be led by love, too. May knowing that you love me as I am strengthen me to be honest about myself. May my love for others help me see that they deserve the truth from me.

Second Station

Jesus Carries His Cross

We Adore You O' Christ and We Praise You.

Response: Because by your Holy Cross You have redeemed the world.

Meditation

Jesus has been beaten and mocked by the Roman guards. Now a huge, heavy beam is laid brutally on his shoulders. Jesus carries the great weight of sin as he begins his journey to Golgotha, where they would crucify him. He bears it willingly, for love bears all things.

Prayer

Jesus, I may be young, but I've already learned that life brings many challenges and burdens. In a way, these burdens are our own crosses that all people must carry through life. Sometimes, I condemn myself to carry a cross. I get myself into tough situations that have tough consequences. But at other times, life just lays a heavy cross on my shoulders. I didn't ask for it. I don't want it. But it's there, and it's hard to bear – especially because I don't understand why it's there. I see you carry your cross out of love. Help me see a purpose in the cross I'm carrying today. Help me find a loving way to bring good out of this cross.

Station II – Jesus Takes Up His Cross

We Adore You O' Christ and We Praise You.

Because By Your Holy Cross You Have Redeemed the World

Make You Feel My Love – Billy Joel

When the rain Is blowing in your face
And the whole world Is on your case I could offer you
A warm embrace To make you feel my love

When the evening shadows And the stars appear
And there is no one there To dry your tears
I could hold you For a million years
To make you feel my love
I know you Haven't made
Your mind up yet But I would never
Do you wrong I've known it
From the moment That we met
No doubt in my mind Where you belong

I'd go hungry I'd go black and blue
I'd go crawling Down the avenue
No, there's nothing That I wouldn't do To make you feel my love

The storms are raging On the rolling sea
And on the highway of regret Though winds of change
Are throwing wild and free You ain't seen nothing Like me yet

I could make you happy Make your dreams come true
Nothing that I wouldn't do Go to the ends
Of the Earth for you To make you feel my love

Third Station

Jesus Falls the First Time

We Adore You O' Christ and We Praise You.

Response: Because by your Holy Cross You have redeemed the world.

Meditation

The streets of Jerusalem are narrow and winding. Crowds have gathered to watch Jesus make his way to the place of crucifixion. Under the weight of the cross and pressed by the crowds, Jesus stumbles and falls.

Prayer

Jesus, the cross you carry is not just made of wood. It is made of the sadness of the world's sin and all its consequences in human suffering.

That is a heavy burden to carry, and under its weight, you fall.

Sin brings me down to the ground, too. I may think I can handle it at first, but after a while, I find that my lies or my casual cruelty or my closed

heart is making it hard for me to walk upright. I fall.

I see you fall under all the weight, but I also see that you refuse to let the heaviness of the world's sin keep you down. You rise and keep walking out of love. Help me to rise, too, and find the path of love once again.

Station III – Jesus Falls the First Time

Heartbreak Warfare – John Maher

Lightning strikes Inside, my chest to keep me up at night
Dream of ways To make you understand my pain
Clouds of sulfur in the air Bombs are falling everywhere
It's heartbreak warfare Once you want it to begin,
No one really ever wins In heartbreak warfare
If you want more love, why don't you say so?
If you want more love, why don't you say so?
Drop his name Push it in and twist the knife again
Watch my face As I pretend to feel no pain
Clouds of sulfur in the air
Bombs are falling everywhere
It's heartbreak warfare Once you want it to begin,
No one really ever wins In heartbreak warfare.
If you want more love, why don't you say so?
If you want more love, why don't you say so?
Just say so...

Fourth Station

Jesus Meets His Mother

We Adore You O' Christ and We Praise You.

Response: Because by your Holy Cross You have redeemed the world.

Meditation

When Jesus was a baby, his parents took him to the temple. There, a prophet told Mary that a sword would pierce her soul. Seeing her beloved son now wounded, weak and walking to an unjust death, Mary feels that sword tear at her heart.

Prayer

Jesus, amid the crowd filled with mocking, curious and indifferent faces, one face stands out. It is the face of your sorrowful mother, Mary. She held you close as a baby, searched for you when she thought you were lost in Jerusalem and was there with you as you changed water into wine. As she has so often in the past, Mary stands near you now. But this moment is different from all the others. She can do nothing for you now; she can only watch in grief because she loves you so very much. I suppose all parents must sometimes look at their own children with this same kind of sadness. When we are sick, when we are running down harmful paths, when we refuse to listen, our parents feel it, because they love us.

I see you stop to give your mother comfort. Help me stop on my journey and let my parents in to give me comfort. Help me love them by being open to their love and support.

Station IV – Jesus Meets His Mother

Let It Be – Beatles

When I find myself in times of trouble, mother Mary comes to me,
speaking words of wisdom, let it be.
And in my hour of darkness she is standing right in front of me,
speaking words of wisdom, let it be.

Let it be, let it be, let it be, let it be.
Whisper words of wisdom, let it be.

And when the broken hearted people living in the world agree,
there will be an answer, let it be.
For though they may be parted there is still a chance that they
will see,
there will be an answer. let it be.

Let it be, let it be,

Fifth Station

Simon Helps Jesus

We Adore You O' Christ and We Praise You.

Response: Because by your Holy Cross You have redeemed the world.

Meditation

The cross only gets heavier with every step. The guards pull a man named Simon out of the crowd and put the crushing weight of the cross on his shoulders. Not that they care about Jesus, but they have a job to do. They have to get him to the place of crucifixion.

Prayer

Jesus, I wonder if the man named Simon knew you at all. He wasn't one of the twelve disciples. Maybe he had never even heard of you before that day.

He didn't volunteer to help you, either; he was forced into it by armed soldiers. But despite all that – despite being a stranger pulled in to help against his will, for a moment, a burden on you was lifted.

Every day, my life puts me in the presence of people I've never met before and never will see again – at school, at work, at the mall, at a game. As I see your burden lifted by a stranger, help me remember that every action and word I speak to a stranger can either lighten their daily load or make it heavier. Help me approach them with love. And help me gratefully accept any kindnesses that are offered to me.

Station V Simon Carries the Cross

I Won't Let You Fall – Rascal Flatts

It's like a storm That cuts a path
It's breaks your will It feels like that

You think your lost But your not lost on your own
Your not alone I will stand by you
I will help you through When you've done all you can do
If you can't cope I will dry your eyes
I will fight your fight I will hold you tight
And I wont let go

It hurts my heart To see you cry
I know it's dark This part of life
Oh it finds us all And we're too small
To stop the rain Oh but when it rains

I will stand by you I will help you through
When you've done all you can do And you can't cope
I will dry your eyes I will fight your fight
I will hold you tight And I wont let you fall
Don't be afraid to fall I'm right here to catch you
I wont let you down It wont get you down
Your gonna make it Yea I know you can make it

Sixth Station

Veronica Wipes Jesus' Face

We Adore You O' Christ and We Praise You.

Response: Because by your Holy Cross You have redeemed the world.

Meditation

After Jesus was arrested, the guards put a crown of thorns on his head. The long, sharp thorns pierced the skin on his scalp and drew blood.

Now hours later, the blood, sweat and filth have covered Jesus' face. Veronica reaches out in love.

Prayer

Jesus, I must admit that suffering frightens me. I don't man just the idea of my own suffering, but it's the suffering of others that I find difficult to face.

I don't like to see people I love in pain. When someone I know endures great suffering, it is hard to know what to say or do. Sometimes when I'm faced with that kind of suffering, I just want to go far away until it's

all over. Sometimes people are changed by illness or the pains of age or grief. It's hard to recognize them under the scars of their pain.

I see Veronica reaching out to you. Others are frightened off by your suffering. Some don't know what to do or say. Veronica sees through the blood and the dirt. She does a simple thin. She cleans you face. Help me reach out as Veronica did and not be overcome by my fear. Help me be strengthened by love to recognize your face in the suffering of others.

Station VI – Veronica Wipes the Face of Jesus

Because You Loved Me – Celine Dion

For all those times you stood by me
For all the truth that you made me see
For all the joy you brought to my life
For all the wrong that you made right
For every dream you made come true
For all the love I found in you
I'll be forever thankful, baby
You're the one who held me up Never let me fall
You're the one who saw me through Through it all
You were my strength when I was weak
You were my voice when I couldn't speak
You were my eyes when I couldn't see
You saw the best there was in me
Lifted me up when I couldn't reach
You gave me faith 'cause you believed
I'm everything I am
Because you loved me, ooh, baby
You gave me wings and made me fly
You touched my hand I could touch the sky
I lost my faith, you gave it back to me
You said no star was out of reach
You stood by me and I stood tall
I had your love, I had it all
I'm grateful for each day you gave me
Maybe, I don't know that much
But I know this much is true
I was blessed because I was loved by you

Seventh Station

Jesus Falls the Second Time

We Adore You O' Christ and We Praise You.

Response: Because by your Holy Cross You have redeemed the world.

Meditation

Just a few days ago, people were cheering when Jesus entered this city. The feeling is different now. Now Jesus is condemned as a criminal and hardly anyone seems to be on his side. He falls again. Does anyone care?

Prayer

Jesus, I see people fall every day. Kids I know struggle in school. They make mistakes. They lose games and forget their lines on stage. They have family problems and dread going home at night. My parents get stressed out because of all they things they have to do. They lose their temper with me. Sometimes I deserve it, sometimes I don't. When I think about all of this, sometimes I feel let down by the way people disappoint me. I watch them fall, and it makes me angry or feel superior or even laugh at them. I see you surrounded by pressures and cruelty, falling down under the weight of all of it. I'm sorry to see you fall. When I see other people fall in my life, help me remember you and be more understanding with them . When those I know fall, help me react with compassion and desire to help. May love move me to care.

Station VII – Jesus Falls For The Second Time

Everybody Hurts – Avril Lavine

Don't know, don't know if I can do this on my own
Why do you have to leave me?
It seems I'm losing something deep inside of me
Hold on, on to me
Now I see, now I see
Everybody hurts some days
It's okay to be afraid
Everybody hurts, everybody screams
Everybody feels this way
And it's okay, it's okay

It feels like nothing really matters anymore
When you're gone, I can't breathe
And I know you never meant to make me feel this way
This can't be happening

Now I see, now I see

Everybody hurts some days
It's okay to be afraid
Everybody hurts, everybody screams
Everybody feels this way
And it's okay, it's okay

Eighth Station

Jesus Meets the Women

We Adore You O' Christ and We Praise You.

Response: Because by your Holy Cross You have redeemed the world.

Meditation

As Jesus preached and taught during his ministry, his apostles were at his side. Now, they are gone, nowhere to be seen. But along the sad road, a small group follows Jesus. It is a cluster of women from Jerusalem, walking behind him in tears for what he has endured and for his death that comes closer with every step.

Prayer

Jesus, although you are exhausted and weak, you have strength enough to speak to the women who are weeping for you. You tell them not to shed tears for you, but for themselves and for their children. Following you can sometimes be difficult. I know that real love can be hard sometimes. Forgiving is hard. Putting up with someone's mistakes and weakness is hard. It is hard being faithful to a friend or family member and supporting them when I have other things to do or when the situation makes me feel uncomfortable. Being you friend, Jesus, can be a challenge. I see you gently warning the women of hard times ahead. I listen to those words and understand what they mean for me. Help me to be faithful, and to keep following you in love.

Station VIII – Jesus Meets the Women

Where's The Love – Black Eyed Peas

What's wrong with the world, mama
People livin' like they ain't got no mamas
I think the whole world addicted to the drama
Only attracted to things that'll bring you trauma
Overseas, yeah, we try to stop terrorism
But we still got terrorists here livin' In the USA
The Bloods and The Crips and the KKK
But if you only have love for your own race
Then you only leave space to discriminate
And to discriminate only generates hate
And when you hate then you're bound to get irate, yeah
Madness is what you demonstrate
And that's exactly how anger works and operates
Man, you gotta have love just to set it straight
Take control of your mind and meditate
Let your soul gravitate to the love, y'all, y'all

People killin', people dyin'
Children hurt and hear them cryin'
Can you practice what you preach
Would you turn the other cheek

Father, Father, Father help us
Send some guidance from above
'Cause people got me, got me questionin'
Where is the love (Love)

Ninth Station

Jesus Falls a third Time

We Adore You O' Christ and We Praise You.

Response: Because by your Holy Cross You have redeemed the world.

Meditation

Jesus has been arrested, unjustly condemned, whipped and beaten. He has been forced to bear the means of his own death on his back. His friends have disappeared. He falls again.

Prayer

Jesus, your journey on this hard road is a journey of pain and struggle, but most of all, it is a journey of love. It is hard to see this from the outside. Someone who doesn't understand sees nothing but a shattered man falling under a terrible load on a Jerusalem street. But there is more to it than this, I know. There is love. You endure all of this because you love us. You suffer because you love me. It's hard for me to fully realize that love involves suffering. I doubt anybody truly understands the mystery of how love and suffering are joined. But through your journey, I see how true this connection is. I see you fall, broken and weak. But in this pain, I also see a love that astonishes me and gives me hope. Help me love as you love. Help me accept the suffering that comes with real love.

Station IX – Jesus Falls For The Third Time

Revelation – Third Day

My life has led me down the road that's so uncertain
And now I am left alone and I am broken,
Tryin' to find my way, tryin' to find the faith that's gone

This time, I know that you are holding all the answers
I'm tired of losing hope and taking chances, On roads that
never seem, to be the ones that bring me home Give me a
revelation,

Show me what to do Cause I've been tryin' to find my way,
I haven't got a clue Tell me should I stay here,
Or do I need to move Give me a revelation
I've got nothing without You I've got nothing without You

My life has led me down this path that's ever winding
Through every twist and turn I'm always finding,
That I am lost again (I am lost again)
Tell me when this road will ever end
Give me a revelation, Show me what to do
Cause I've been tryin' to find my way,
I haven't got a clue Tell me should I stay here,
Or do I need to move Give me a revelation
I've got nothing without You I've got nothing without I don't
know where I can turn Tell me when will I learn
Won't You show me where I need to go
Let me follow Your lead, I know that it's the only way that I
can get back home.

Tenth station

Jesus is Stripped of His Garments

We Adore You O' Christ and We Praise You.

Response: Because by your Holy Cross You have redeemed the world.

Meditation

Jesus has passed through the city gates, out to the place of the crucifixion called Golgotha. Wooden beams are stuck in the ground, awaiting the crosspiece that he has been carrying on his back. On this hill that means "skull place," he is stripped of his clothes. All is ready.

Prayer

Jesus, you came into the world to share the Good News of God's love. You forgave sins, healed the sick and brought the dead back to life. And now you stand, God made human, totally exposed to the world, the world that came into being through your own word, a world that has now turned on you and is preparing to put you to death on a cross. How could they not have recognized you? How can people be so blind to goodness and love? Why does it scare us so? I see you, the Lord of Creation, standing weak and vulnerable before your own creation which has closed its eyes to truth. Open my eyes to your love. Help me be open to the many ways you are acting in my life every day. Help me to respond to your voice as it calls me to love.

Station X – Jesus Is Stripped of His Garments

The Maker – Dave Matthews

Oh, oh deep water, black and cold like the night
I stand with arms wide open
I've run a twisted line
I'm a stranger in the eyes of the Maker
I could not see for the fog in my eyes
I could not feel for the fear in my life
From across the great divide, In the distance I saw a light
Of John Baptist walking to me with the Maker
My body my body is bent and broken by long and dangerous sleep
I can't work the fields of Abraham and turn my head away
I'm not a stranger in the hands of the Maker

Brother John, have you seen the homeless daughters
Standing here with broken wings
I have seen the flaming swords
There over east of Eden
Burning in the eyes of the Maker
Burning in the eyes of the Maker
Burning in the eyes of the Maker

Oh, river rise from your sleep
Oh, river rise from your sleep
Oh, river rise from your sleep

Eleventh Station

Jesus is Nailed to the Cross

We Adore You O' Christ and We Praise You.

Response: Because by your Holy Cross You have redeemed the world.

Meditation

The noonday sun burns down on Golgotha. Nails are pounded through Jesus' wrists. Ropes quickly pull the crosspiece up into place. More nails pierce Jesus now through his feet. The cross is in place, bearing love.

Prayer

Jesus, is this really what love looks like? That's not what the world tells me. The world outside tells me that love is about happy feelings, romance and pleasure. As you hang on the cross, surrounded by people mocking you, gambling for your clothes, giving you vinegar when you say you are thirsty, it changes the way I think about love. I see you suffering on the cross, suffering so much that you cry out to the Father. I also see you are suffering for one reason only: you love us. You want to pour out forgiveness of sins and open the doors to eternal life – for us. So you accepted this cup of suffering, out of love. Help me see love in this cross. Help me see how much I need this love. Teach me, through your cross, how to love as you have loved. Teach me that true love is what I have been made for.

Station XI – Jesus Is nailed On the Cross

“Were You There” – Sue Nixon

Were you there when they crucified my Lord?
Were you there when they crucified my Lord?
Oh, sometimes it causes me to tremble, tremble, tremble.
Were you there when they crucified my Lord?

Twelfth Station

Jesus Dies on the Cross

We Adore You O' Christ and We Praise You.

Response: Because by your Holy Cross You have redeemed the world.

Meditation

Jesus hangs on the cross as the hours creep by. It is harder and harder for him to breathe. One of the thieves crucified alongside mocks him; the other defends him. Jesus promises this good thief that today, he would be in paradise with him. After three hours, Jesus breathes his last.

Prayer

Jesus, forgive me for my sins. All along the way, there were many people involved in bringing you to this point. Some betrayed you, others arrested, tried and convicted you, some whipped you or nailed you to the cross. Hundreds stood by and watched. All but a few of your friends abandoned you and hid.

But beyond all this, a whole ungrateful world brought you to Golgotha. And, sadly, I have to admit that I'm a part of that world. I see you collapsed and lifeless on the cross. Sin is there with you. But your response to sin was not anger or rejection of the world. You accepted the whole world and everything about it, even its sinfulness, in order to heal it. I'm a part of that world. Help me see that through your cross, I am healed and set free.

Station XII – Jesus Dies On The Cross

The Impossible Dream – Luther Vandross

To dream ... the impossible dream ...
To fight ... the unbeatable foe ...
To bear ... with unbearable sorrow ...
To run ... where the brave dare not go ...
To right ... the unrightable wrong ...
To love ... pure and chaste from afar ...
To try ... when your arms are too weary ...
To reach ... the unreachable star ...

This is my quest, to follow that star ...
No matter how hopeless, no matter how far ...
To fight for the right, without question or pause ...
To be willing to march into Hell, for a Heavenly cause ...

And I know if I'll only be true, to this glorious quest,
That my heart will lie will lie peaceful and calm,
when I'm laid to my rest ...
And the world will be better for this:
That one man, scorned and covered with scars,
Still strove, with his last ounce of courage,
To reach ... the unreachable star ...

Thirteenth Station

Jesus is Taken Down from the Cross

We Adore You O' Christ and We Praise You.

Response: Because by your Holy Cross You have redeemed the world.

Meditation

For a moment, the world went dark. Thunder rolled across Jerusalem and the earth shook. Something had happened. The world had changed. But now, no one knows that. The guards have left the crucified to his family. A tomb is made ready. In deep sadness, those remaining watch Mary cradle her son in her arms.

Prayer

Jesus, this moment at Golgotha is even more dark and bleak than the others.

Those who were caring for your lifeless body probably had many thoughts just at this moment. They might have been thinking of your laughter and wisdom, of a time they had shared a meal with you, or of a moment when you had assured them that their sins – even their worst sins

– were forgiven. Your mother Mary must have thought about all that had been promised – and once again, the sword pierced her heart.

All of them were probably confused and hurt, wondering what would, what could happen next. But in the midst of this enormous pain, they continued to serve you, quietly, out of love.

I see you cared for by those who love you. Help me do the same.

Help me serve humbly and quietly, out of love.

Station XIII – Jesus is Taken Down From The Cross

Hero – Miriah Carey

There's a hero If you look inside your heart
You don't have to be afraid Of what you are

There's an answer If you reach into your soul
And the sorrow that you know Will melt away

And then a hero comes along With the strength to carry on
And you cast your fears aside And you know you can survive

So when you feel like hope is gone Look inside you and be strong
And you'll finally see the truth That a hero lies in you

It's a long road And you face the world alone
No one reaches out a hand For you to hold

You can find love If you search within yourself
And the emptiness you felt Will disappear

And then a hero comes along With the strength to carry on
And you cast your fears aside And you know you can survive

So when you feel like hope is gone Look inside you and be strong
And you finally see the truth That a hero lies in you

Oh ho, Lord knows Dreams are hard to follow
But don't let anyone Tear them away, hey yea

Hold on There will be tomorrow
In time, you find the way, hey
Then a hero comes along With the strength to carry on
And you cast your fears aside And you know you can survive
So when you feel like hope is gone Look inside you and be strong
And you finally see the truth That a hero lies in you

Fourteenth Station

Jesus is Laid in the Tomb

We Adore You O' Christ and We Praise You.

Response: Because by your Holy Cross You have redeemed the world.

Meditation

In a cave in the side of a hill, Jesus' body, wrapped in linens, is laid on a shelf carved from the rock, and a stone is rolled across the opening of this tomb. Guards are stationed, and the mourners drift away. Night falls with a heavy silence.

Prayer

Jesus, dying is a scary thing. It is sad to reflect on your unjust death. It is scary to think about my own death and the deaths of those around me. I just don't like to think about such things. Could a stone rolled

across a tomb, darkness and silence, could this really be the end?

Your journey to the cross seems to end in sadness. Sometimes when I am trying to understand and to follow your way of love, I feel frustrated and sad, too. It's hard for me to see the point, or to see how good could come out of it.

I see you lying in the tomb, and faith tells me that death is not the end. As I watch in sadness, help me remember your promise of eternal life.

Help me live, trusting that in your love lies joy and peace.

Station XIV – Jesus Is Laid In The Tomb

The Rose – Bette Midler

Some say love, it is a river
that drowns the tender reed.
Some say love, it is a razor
that leaves your soul to bleed.
Some say love, it is a hunger,
an endless aching need.
I say love, it is a flower,
and you its only seed.

It's the heart afraid of breaking
that never learns to dance.
It's the dream afraid of waking
that never takes the chance.
It's the one who won't be taken,
who cannot seem to give,
and the soul afraid of dyin'
that never learns to live.

When the night has been too lonely
and the road has been too long,
and you think that love is only
for the lucky and the strong,
just remember in the winter
far beneath the bitter snows
lies the seed that with the sun's love
in the spring becomes the rose.

Station XV – The Resurrection

We Adore You O' Christ and We Praise You.

Because By Your Holy Cross You Have Redeemed the World

Station XV – The Resurrection

One Moment in Time – Whitney Houston

Each day I live I want to be A day to give
The best of me I'm only one But not alone
My finest day Is yet unknown
I broke my heart Fought every gain
To taste the sweet I face the pain
I rise and fall Yet through it all This much remains
I want one moment in time
When I'm more than I thought I could be
When all of my dreams are a heartbeat away
And the answers are all up to me
Give me one moment in time
When I'm racing with destiny
Then in that one moment of time I will feel I will feel eternity
I've lived to be The very best
I want it all No time for less
I've laid the plans Now lay the chance Here in my hands
Give me one moment in time
When I'm more than I thought I could be
When all of my dreams are a heartbeat away
And the answers are all up to me
Give me one moment in time When I'm racing with destiny
Then in that one moment of time I will feel I will feel eternity
You're a winner for a lifetime If you seize that one moment in time
Make it shine
Give me one moment in time
When I'm more than I thought I could be
When all of my dreams are a heartbeat away
And the answers are all up to me Give me one moment in time
When I'm racing with destiny
Then in that one moment of time
I will be
I will be
I will be free
