Life lessons from the Camino

Joyce Rupp
Spirituality

Joyce Rupp's story of her pilgrimage along the Camino de Santiago is full of adventure, humor, heartbreak, and, most of all, insight for each of us wherever we are on life's journey. At age 60, Joyce didn't know what she was getting into when she began a 37-day pilgrimage along The Camino De Santiago in Northern Spain. She learned lessons that can help all of us travel on life's up – and – down journey with more grace and lightness. Joyce Rupp is well known for her work as a writer, spiritual "midwife", and conference speaker. A member of the Servite Community, she has led retreat throughout North America, as well as in Europe, Asia, and Africa. She is the author of many bestselling books, including *May I Have This Dance?*, *The Cup of Live*, *Praying Our Goodbyes*, *Fresh Bread* etc. etc.

The **Prayer Shawl Ministry** resumes on **Tuesday, September 28**. During June, July and August, we do **NOT** meet. Our Prayer Shawl Ministry continues in our homes.

We have given over 225 Prayer Shawls to those who are care-givers as well as to those who are ill and grieving. Our service women and men have received one dozen shawls for the wounded at Walter R. Hospital. This is due to the generosity of great women who buy the yarn and create their shawls. Each stitch is a prayer as our needles click in supplication to our Loving God for the person receiving the shawl.
