

Walking with Purpose[®]

Enabling Women to know Christ through Scripture

We begin with the basics, knowing that we can never master the core truths; there is always greater depths to explore.

**WWP provides a safe place
to spiritually grow**

For the woman who sits at Mass, wondering what it all has to do with her, personally.

*For the woman with the hurting heart, who needs to experience the balm of
God's unconditional love to begin to heal.*

For the woman who seeks connection and satisfying relationships.

For the woman who is stretched in so many directions, and needs a way to refuel and be refreshed.

For the woman that secretly asks, "Isn't there more to life than this? Why am I here? What is my purpose?"

WWP reaches out to women

**Who desire to grow in their faith using a Scripture based program that is fresh, relevant,
and focused on conversion of heart more than intellectual development.**
